SCOTLAND'S MOST-LOVED
WOMEN'S TITLE

20,000+

women across Scotland reached
every month across our website and
social media

The online destination to reach Scottish women.

Quine was founded in 2023 to fill the gap in the market for a digital-first media brand that appeals to the modern Scottish woman.

Our founder recognised the need for a Scottish title that could match the digital savvy of London-based publications, which had either outpaced or replaced the existing Scottish ones.

Quine stands out in the Scottish media market with its fresh, engaging and relevant content that covers topics that matter to its audience.
